## Constituency News

Summer 2008

Jim Rondeau MLA Assiniboia

Dear Constituents,

As MLA, I represent my constituents, and relay their concerns to the government. I also ensure my constituents have access to government services.

One service I provide is bringing my greetings to a birthday or anniversary. Not only am I given the opportunity to congratulate my constituent on a special day, I ensure that other dignitaries are aware of it as well.

Another program being offered is Manitoba Hydro's Powersmart. Powersmart enables you to save money through increased energy efficiency.

Also, we are proud to host a number of community events such as the Annual Community Clean Up, Volunteer Appreciation Night and Literacy Barbeque, all of which enhance our community.

This is not a comprehensive list of the services my office provides, in fact my office operates as a one stop shop for any government service you require. Please call 888-7722 and we will be happy to provide them to you.

Sincerely,

Jim Rondeau

Bono states that "Service to others is the rent you pay for your room here on earth."

The participants of this year's volunteer appreciation have indeed made their rent.
